## Capability Statement

Spectech USA is a trusted aerospace fastener distributor specializing in high-reliability hardware for defense, commercial aviation, and space applications. We deliver precision-engineered components backed by strict quality standards, responsive service, and strategic inventory support. Our modernized supply-chain solutions help customers reduce lead times, lower acquisition costs, and maintain production readiness.

### Core Capabilities:

- Stocking Distributor of aerospace-grade: **Nuts, bolts, screws, washers, lanyards, release pins, struts, latches, and precision hardware**
- **Large on-hand inventory** with rapid fulfillment
- **Same-day shipping** on stocked items
- **Long-Term Agreements (LTAs) and Just-In-Time (JIT) delivery services**
- **Low minimum order quantities** to reduce customer burden
- **Kitting & special packaging solutions**
- **FAA 8130-3 tag services** available
- **Avibank insert tooling support**
- **Full traceability** and rigorous documentation control
- **Domestic and DFARS – Compliant sourcing options**

### Customer Approvals

**Over 22 Years of exceptional ratings as a trusted supplier for the U.S. Government**

**Authorized Stocking Master Distributor**

## Proudly Serving These Factories

### Authorized Master Distributor for Avibank Manufacturing

Authorized Stocking Distributor for: CBS Fasteners \* GS Aerospace/B&B \* Mini-Mac

All Power Manufacturing	Anatase Products	Crescent Manufacturing	Spencer Aerospace
Heartland Precision	Lee Aerospace	J&M Products	Moeller
