**Jrankin@spectechusa.net**

ISO 9001:2015  AS9120B Certified
**CMMC Compliant SPRS Rating:110**
Cage Code: 3LRU1  UEI: CJJ3EMVHKAP6
Duns Number: 12-546-5190

Spectech USA is a trusted aerospace fastener distributor specializing in high-reliability hardware for defense, commercial aviation, and space applications. We deliver precision-engineered components backed by strict quality standards, responsive service, and strategic inventory support. Our modernized supply-chain solutions help customers reduce lead times, lower acquisition costs, and maintain production readiness.

## Core Capabilities:

- Stocking Distributor of aerospace-grade: **Nuts, bolts, screws, washers, lanyards, release pins, struts, latches, and precision hardware**
- **Large on-hand inventory** with rapid fulfillment
- **Same-day shipping** on stocked items
- **Long-Term Agreements (LTAs)** and **Just-In-Time (JIT) delivery services**
- **Low minimum order quantities** to reduce customer burden
- **Kitting & special packaging solutions**
- **FAA 8130-3 tag services available**
- **Avibank insert tooling support**
- **Full traceability** and rigorous documentation control
- **Domestic and DFARS – Compliant sourcing options**

## Customer Approvals

Honeywell Aerospace
Raytheon Technologies
BOEING
